About these interviews

- Save 90% of your tech and recruiting bandwidth going into hiring by outsourcing your interviews in 2 simple steps
- Interviews are taken by engineers on our platform. After interview is done, we recommend candidates, who are a YES, back to your company for further processing.
- 70% of our recommended candidates have been selected by companies saving them both time & cost.

Accelerate the hiring cycles from 45 days per hire to 10 days per hire by giving us more than 500 interviews in a single day
